ANGELS CAMP RV & CAMPING RESORT

Resort News

If you have joined us this summer, you know there are 19 new sites – the Park now totals 82 in all (counting cabins, lodges and tent sites). There are 12 new RV sites on the front side and 7 in the back, all with full hookups. Sites are pull-thrus with the exception of 4 in the back. Those 4 are shaded by one of the huge oak trees and have proven to be very popular and in-demand sites!

We have had gorgeous weather all summer – not too HOT! If you haven't enjoyed it yet, FALL is a GREAT time to visit the Gold Country – cool, beautiful colors, and a little less busy.
Hope to see you soon.

And if you are planning a trip to Gold Country in the near future to enjoy the peaceful atmosphere, warm weather, wineries, touring, golf or relaxation, here are a few upcoming events. **The Willie Nelson and Sheryl Crow concerts are "2 for 1 Lawn Special!"*

Now THAT'S A Plan!

The loaded mini-van pulled into the only remaining campsite. Four children leaped from the vehicle and began feverishly unloading gear and setting up the tent. The boys rushed to gather firewood, while the girls and their mother set up the camp stove and cooking utensils.

A nearby camper marveled to the youngsters' father, "That, sir, is a remarkable display of teamwork."

The father replied, "I have a system — no one goes to the bathroom until the camp is set up."

Yup, THAT'S what I call Planning!
