ANGELS CAMP RV & CAMPING RESORT

RESORT NEWS

We still can't report that CAL TRANS has completed our entry driveway. This has become a marathon undertaking.....

Meanwhile, our adopted mascot, BIG BIRD is doing great. He has become very tame with Sandy; puts his head on her shoulder and eats out of her hand. Make a point of checking out the newest addition to the family on your next visit!

Our SAND VOLLEYBALL COURT was completed this month. It has been a source of delight for many guests since the net went up. Here are some photos of the "very first" volleyball players to stir up the sand!

Boy Scout Troop 217 from Orinda, CA initiated the volleyball court the weekend of Nov 15-16. They have stayed at the resort multiple years while visiting Moaning Caverns. Thanks, Troop 217!!

Calaveras Olive Oil

ABOUT US | STORE

A world-famous olive oil grower/producer is located in Copperopolis, a short distance from our Resort. Nola, in our office, visited Calaveras Olive Oil and was very impressed with the owner and the tour. She recommended it to **The Redwood Good Sams**, who stayed with us in November. They took a tour of the store and loved it; they came back with a wealth of new ideas for recipes, gifts and health information. They compared it to a fine wine-tasting experience and recommended the visit to others.
